

MarketPlace

MarketPlace

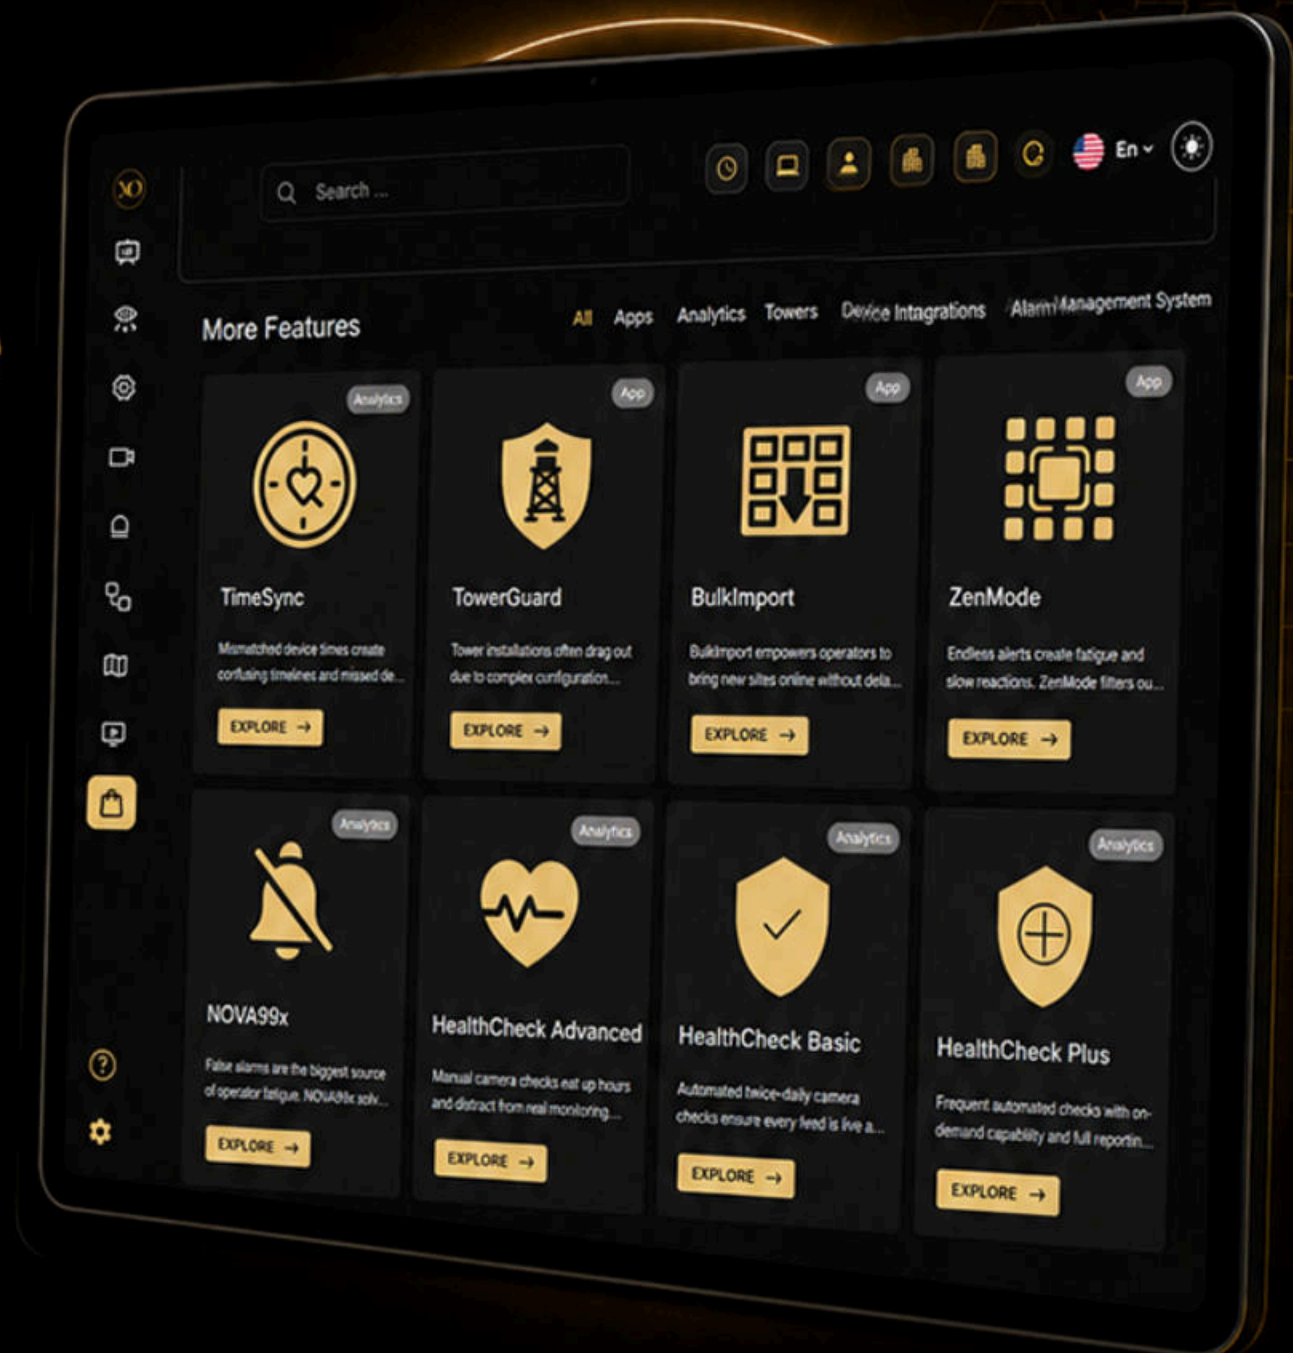

Admins deploy features instantly without IT.
Zero delays, automatic permissions, single-click setup.

What MarketPlace Does

GCXONE's built-in app store for instant feature activation.

From hours of setup down to minutes.

Why It Matters

One feature can cost 5–8 hours of admin time.

MarketPlace helps you **move faster**.

5-9

HOURS
SAVED

3,500+

EUROS
SAVED
annually

MarketPlace cuts admin time to minutes—empowering
admins to **self-activate** and move faster.

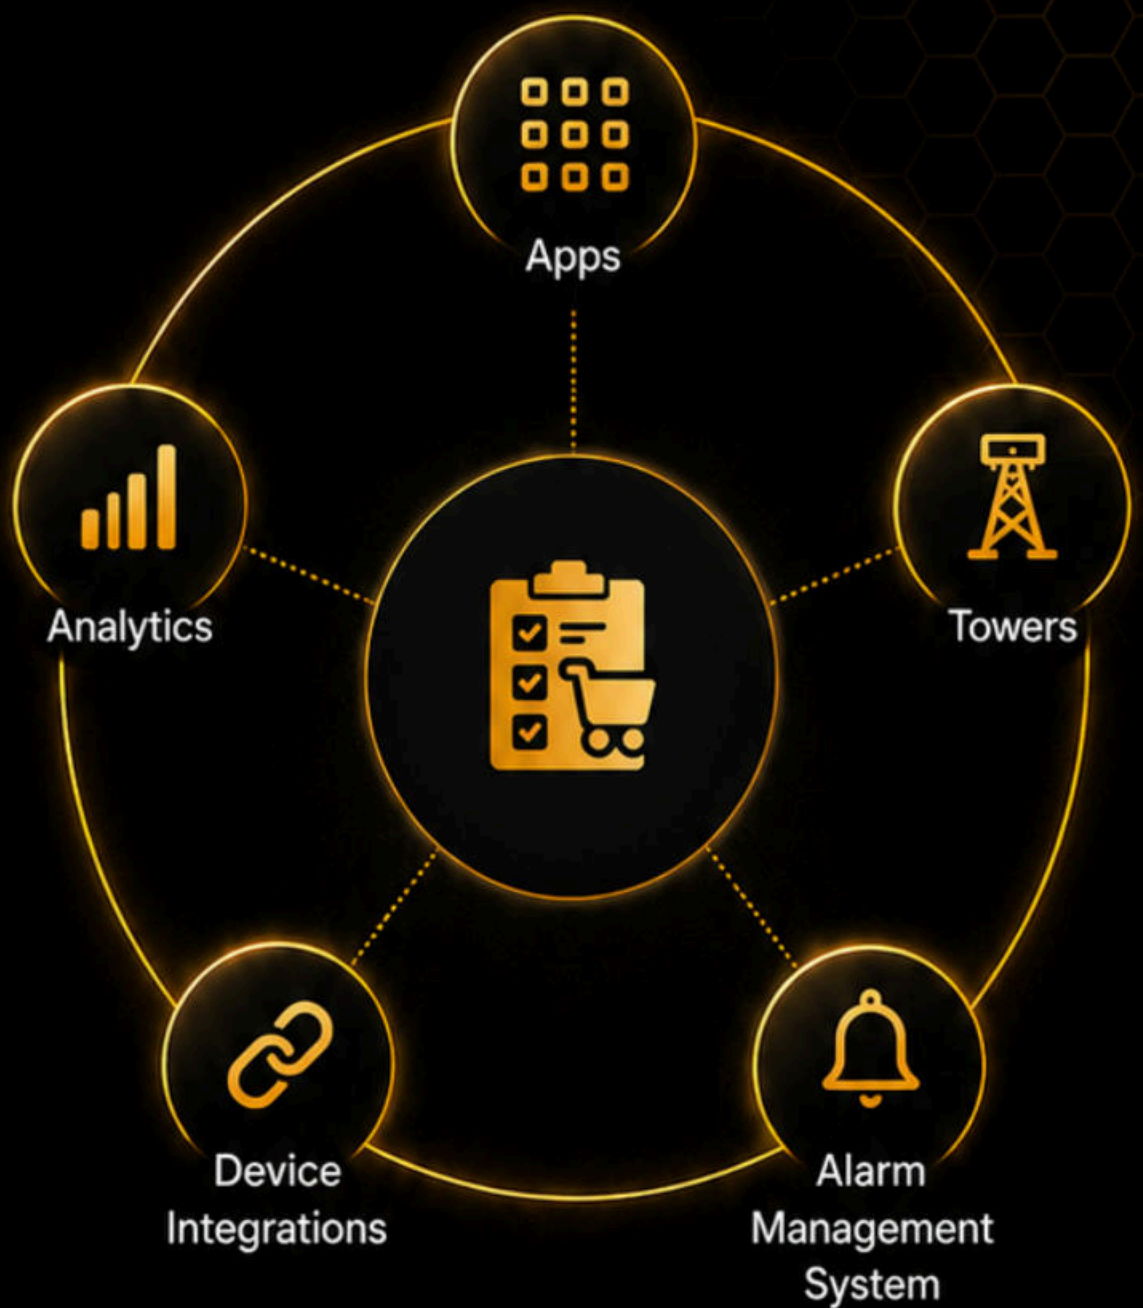

How It Works

Marketplace is opened from inside **GCXONE**.

Five Categories

-  Apps
-  Analytics
-  Towers
-  Device Integrations
-  Alarm Management System

Each listing explains the feature and enables instant activation. Policies and permissions apply automatically.

The MarketPlace Workflow

Value & Uptime

Lower Costs
Reduce support effort
and site visits.

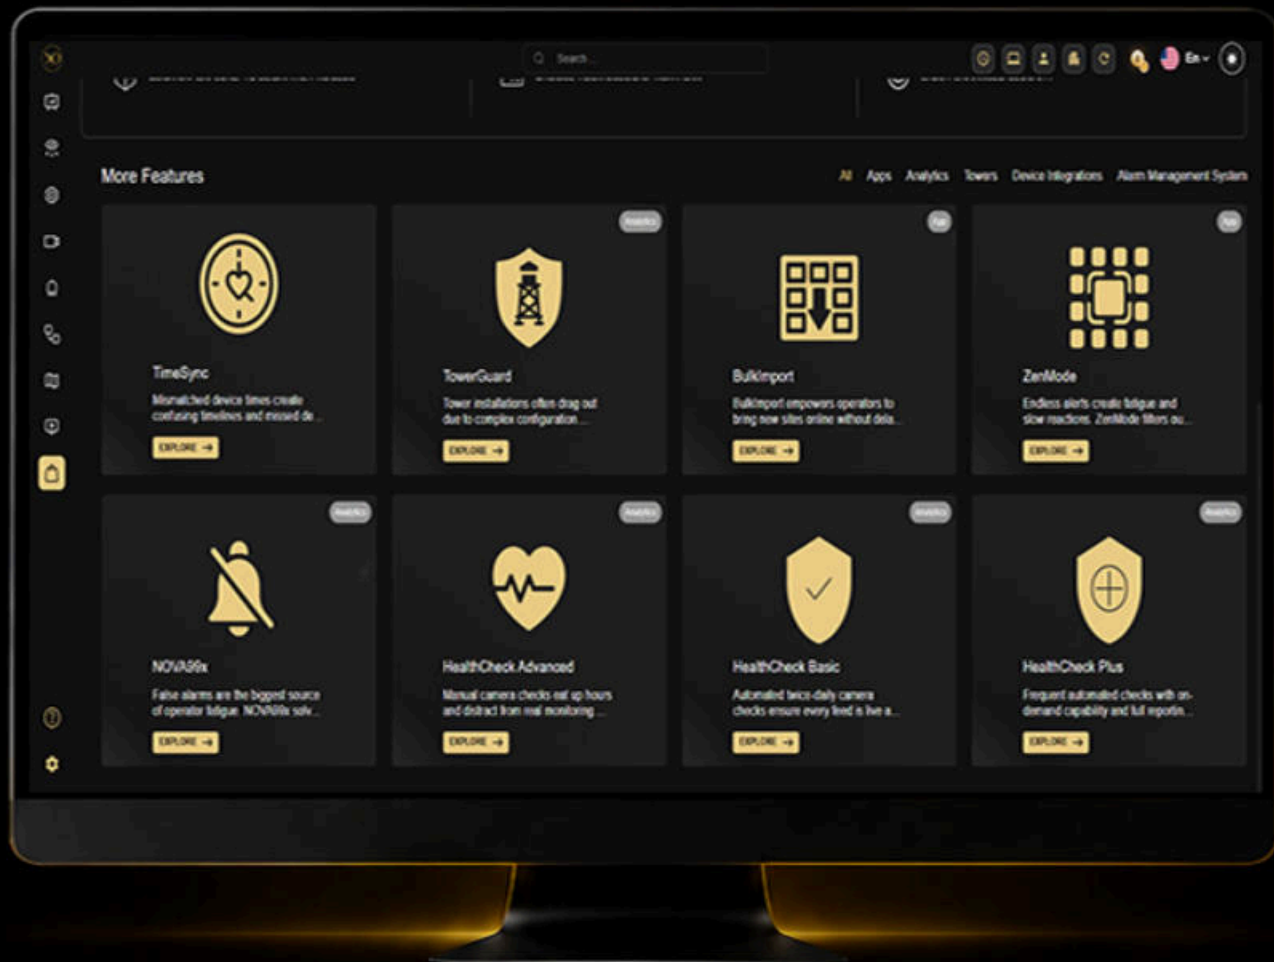

More Value
Enable revenue features
and grow faster.

Maximum Uptime
Proactive monitoring for
reliable performance.

Real-World Use Cases

See how teams across organizations use MarketPlace to move faster, reduce admin work, and drive value.

Four Ways Teams Win with MarketPlace

1

Admin onboards a new site and activates **three features**.

Live faster without IT delays.

2

IT teams cut activation requests across **40 sites**.

Fewer tickets, happier teams.

3

GM rolls out a revenue feature across **thousands of sites**.

One action, enterprise scale.

4

Operations standardize **every location** through MarketPlace.

Consistent setups, better everywhere.

Best Practices

Follow these best practices to get the most **value** and keep your environment **secure** and **efficient**.

1

Check tier before activating.
Choose the tier that fits your needs.

2

Assign one admin per account.
Keeps activations organized and consistent.

3

Verify permissions after activation.
Confirm the right users have the right access.

Why These practices Matter

Save time
Avoid misconfigurations and delays.

Stay secure
Ensure the right people have the right access.

Maximize value
Get the most from every feature and activation.

Designed for Scale. Built for Results.

MarketPlace is part of **GCXONE**,
a unified platform to help you
monitor more sites, operate
smarter, and grow revenue.

Secure. Compliant. Always On.

Secure & Compliant
