## AutoStream Feature Guide

---

... [Content truncated for Sanity due to size. Full version available in website files.]

The screenshot shows a web application interface for 'NXGen Technology AG'. On the left is a sidebar menu with items like 'Dashboard', 'Alarms', 'Sites', 'Site Groups', 'Event Logs', 'Events', 'Jobs', 'Analytics', and 'Company NXGen Technology AG' (which is highlighted with a red box). The main content area is titled 'NXGen Technology AG' and has a navigation bar with tabs: 'Global Workflows', 'Managed Workflows', 'Global Contacts', 'Global Schedules', 'Workflow Templates', 'Users', 'Settings', 'Integrations' (highlighted with a red box), and 'Audit Logs'. Below the navigation bar, the 'API Access Tokens' section is visible, followed by a list of integrations: 'Virtual TNA Receiver', 'Virtual Vanderbilt SPC Receiver', 'Virtual SIA DC-09 Receiver' (marked as 'Enabled'), and 'Virtual VdS Receiver'. Each integration entry includes a description and an 'Add Integration' or 'Edit Integration' button.

Navigation icons: Home, Settings, Search, and a logo with 'X' and 'G'.

The screenshot displays the GCXONE Security Management Platform interface. At the top, there is a search bar and a notification for 'Audio Blocked'. Below this, a navigation menu on the left lists various sections: Dashboard (0 Notifications), Alarms (0 Assigned to you), Sites (70 Configured), Site Groups (Customers), Event Logs (Processed Alarms), Events (Recent Alarms), and Jobs. The main content area is titled 'Site Acme Corp Bulk-test' and includes tabs for 'Overview', 'Event Logs', 'Events', and 'Workflow'. The 'Overview' tab is active, showing a 'Recent Events - 0' chart. The chart is a line graph with a y-axis labeled '0.000000' and an x-axis with dates from 14.02 to 24.02. The chart area is currently empty, indicating no recent events.
